

# Elms Farm Primary School Wider Curriculum Intent

## Ambition

Through our curriculum our children will:

Have opportunities to share their ideas and understand how to take care of themselves physically, emotionally and mentally

Develop an understanding that they are responsible for their own pathway in life

Develop a variety of communication skills

Develop the skills to enable them to be successful in life

Become competent readers, writers and mathematicians by applying their knowledge and skills

Develop into ambitious, inquisitive learners for life

Secure knowledge and skills for life beyond Elms Farm

Develop the skills to present their ideas and communicate in different ways

Have opportunities to develop confidence in their own ability and be excited by new challenges

Develop self-control

Explore professions to develop their interests and ambitions

Be resilient and self-motivated to conduct research and solve problems

# Elms Farm Primary School Wider Curriculum Intent

## Equality

Through our curriculum our children will:

Learn the importance of equality in the world around us

Understand that everyone should have equal rights to achieve their ambitions

Develop social skills so that they understand how to care and respect for others and their beliefs

Learn about iconic figures from a diverse range of backgrounds

Know that we have the right to choose where we live and what we believe

Be curious about the world around them and able to learn with resilience

Develop an appreciation for culture and the arts from around the world

Visit places of interest to gain first-hand experiences and to bring their learning to life

Have opportunities to develop computing skills in readiness for success in a changing technological world

## Community

Through our curriculum our children will:

Understand how our local community is linked to the wider world and appreciate the different cultures and beliefs

Have opportunities to develop a range of practical life skills so that can contribute to their local community

Learn about a range of cultural and artistic icons from different cultures that have helped to shape the world

Use fieldwork to study real-life human and physical features

Learn about famous places and landmarks that they could visit in the future

Learn about significant historical events and civilisations that have shaped our community

Learn about music taken from a wide range of styles and composers to develop appreciation of different cultures and history

Study the impact of humans on the natural world

Learn about different cultures, religions and features of the environment in different countries, aspiring our children to travel

Develop an understanding of key moments in our history

Develop general knowledge of our world and our place and impact within it
